This one-hour webinar will introduce staff in Illinois to the ACT Online Reporting System. It is here that staff will access individual student and school- and district-level data. For those who want to know what the system looks like and how it operates, this webinar will provide that preview. In addition to how the system works, participants will have the opportunity to see sample data for ACT with Writing, PreACT Secure (grade 10), and PreACT 9 Secure (grade 9).

### **Webinar: ACT with Writing, PreACT Secure, and PreACT 9 Secure Data – Understanding Student Roster Reports and School and District Data**

**Date: Tuesday, March 18, 2025**

**Time: 11:00 a.m. – 12:00 p.m.**

This webinar will cover the process of logging in to the ACT Online Reporting System and selecting the data reports that best meet your needs. Reports demonstrated will include school and district student roster reports with ACT with Writing, PreACT Secure (grade 10), and PreACT 9 Secure (grade 9) test data. School and district ACT Composite scores, Subject test scores, and additional data reports will also be included to help begin data conversations.

### **ACT Data Office Hours**

**April, May, and June 2025**

Need more help with your ACT with Writing, PreACT Secure (grade 10), or PreACT 9 Secure (grade 9) data? Using an Online Office Hours link, staff can sign-up for an ACT Data Office Hours session. Each session is reserved for 45 minutes. ACT Data Office Hours begin on April 21, 2025, and a variety of days and times will be available during the school week until mid-June.
