

Activity 1.2 Maximum Points Allowed

Activity Preview

The following activity has been developed in conjunction with the learning plan called *Come Together: Strategies for Improving Program Quality through the Incentive Funding Grant*. This activity is supplemental to Module 1. Program Quality and assesses the following learned skill: *Identify the maximum thresholds for given IFG quality indicators*. In this activity, teachers will use the FY22 Quality Indicator Preview to identify specific maximum point thresholds in given quality indicators.

Directions

1. Review **Quality Indicators Preview Document** 
2. Identify the maximum points allowed in each of the following quality indicators.
 - 3.6 Career Recruitment and Development Activities
 - 5.4 Leadership Development Events
 - 5.5 State and National Leadership Conferences
 - 6.1 Program Facilities
 - 8.1 Agricultural Literacy and Career Exploration Activities
3. Discuss the essential questions below with your small group.

Essential Questions

1. Why does the application limit the number of points available in each indicator?
2. Does a limit on a specific quality indicator mean that those experiences are not valuable? Explain.
