

ISBE is partnering with Brighton Training Group to offer online CACFP trainings to refresh and build knowledge in all areas of the CACFP!

Please see this tutorial on how to create a user account to access training through Brighton Training Group: <https://ilcnptraining.com/tutorial-how-to-create-a-new-user-account/>

We encourage all returning sponsors to complete the Annual CACFP Sponsor Training (Course ISBE-110)

ISBE-110 CACFP Annual Sponsor Training 2023:

<https://ilcnptraining.com/courses/cacfp-annual-sponsor-training-2023-isbe-110/>

Access code: ilcnp122

Please only use up to three logins per organization: one each for the **Authorized Representative, Contact Person,** and one designated to **all other staff** involved in the CACFP. After one has completed the training, a certificate will be generated and will only be generated once (per username/login). So, when another person logs in to the staff-designated training after the initial individual completes training, additional certificates will not be generated.

There are many courses in the CACFP course catalog available for your organizations' needs, including:

- Successful Monitoring
- Menu Building Basics: Utilizing CN Labels and USDA Recipes to Build a Cycle Menu
- CACFP Basics: Orientation for New Staff
- Civil Rights Training
- Navigating Special Dietary Needs
- A CACFP Meal Pattern Guide
- CACFP Procurement
- Nutrition Basics for Better CACFP Menu Planning
- Teaching Teachers About the CACFP Meal Program
- Eligibility Determination
- CACFP Enrollment
- Recordkeeping (courses available for child care centers, at risk sites, outside school hours sites, and emergency shelters)

Create a user account to view the full online course catalog.
