

ILLINOIS HIGH-DOSAGE TUTORING SERVICES

In partnership with the Illinois State Board of Education (ISBE), Catapult Learning is proud to offer recognized Illinois nonpublic schools the chance to participate in a high-impact tutoring program that will serve at least 5,000 students the state. This program will provide critical support in key subjects to help overcome the impacts of classroom learning disruption due to the COVID-19 pandemic.

Catapult Learning's High-Dosage Tutoring

Our High-Dosage Tutoring solutions work by activating existing and relevant knowledge, building prerequisite skills, and reinforcing foundational skills. The program utilizes our Acceleration Framework — a research-based approach that includes:

- **Diagnostic assessment:** Academic and/or social-emotional assessments pinpoint areas of strength and areas in which students need support.
- **Individualized student plan:** Using diagnostic data, our instructors create individualized academic and social-emotional learning goals to guide instruction as well as establish a baseline from which to monitor growth.
- **Personalized support:** Tutors provide personalized and targeted support aligned to each student's individualized plan.
- **Formative assessment:** Ongoing assessments monitor progress, allowing real-time differentiation to maximize growth and achievement.
- **Evidence-based curriculum:** Our High-Dosage Tutoring curriculum, AccelerateLiteracy and AccelerateMath, provides intensive, research-based grade-level support with a focus on high-impact prerequisite content and skills that benefits all students.

Important Info

- All Illinois nonpublic schools and their students are eligible for these services through a contract with the Illinois State Board of Education.
- The program is funded by ISBE and free for schools.
- Services are administered on a first-come, first-served basis.
- Catapult Learning can provide teachers or work with your existing staff.
- We can hire your school staff to provide small-group tutoring for the school year and for summer services.
- Services can take place before or after school or on weekends.
- Scripted curriculum/materials and support are provided.
- Up to \$30.00/hour for tutors

How to Register

- Visit <https://catapultlearning.com/illinois-registration/> to register for the program. Catapult Learning will follow up with you following the completion of your registration.
