Career and Technical Education (CTE) Course Assignments

3

- **Before every school year, local school administration meets with the Education for Employment (EFE) director.**
- **The EFE director will assign a list of courses that can be taught at each location**
- **In order to receive CTE funding, schools must enter student Course Assignments according to the CTE State Course Code supplied by the EFE.**
 - **CTE Courses are identified in the Secondary State Course Catalog with a CTE Label. All approved CTE State Courses end in something other than “0”**
 - **Example: 03001A001**

Career and Technical Education (CTE) Course Assignments

4

- **How is funding calculated?**
 - **Allocations are loaded in the e-GMS CTEI Application.**
 - All entities will begin with 90% of the Program Improvement and Credit Generation Allotment of the previous year's allocation.
 - 10% of the funds will be based on the entities' student course assignments from the previous year:
 - 50% on the number of approved CTE Courses students took; and
 - 50% on the number of credits in approved CTE Courses students received
 - No entity with student course assignments in approved CTE Courses will receive less than 90% and no more than 110% of last year's allocation.
