

## SIS - College and Career Readiness Indicator (CCRI) Data Collection

SIS started collecting College and Career Readiness Indicator (CCRI) data at the start of School Year 2020. The plan was to report CCRI data in the October 2021 Report Card after having two years of the data collected in SIS. The 2020 Report Card will be produced this year, but CCRI data in SIS is **OPTIONAL** for the 2020 School year. Schools can still report the data in SIS if it was already collected, it will be used for future reporting. Only the most recent Home, Serving, or Service Provider RCDT can add or edit a CCRI Record. More information about CCRI can be found at: <https://www.isbe.net/Documents/College-Career-Ready-Indicator.pdf>.
