

# EQUITY

JOURNEY CONTINUUM

DATA ELEMENTS

The Equity Journey Continuum analyzes data in three areas that are aligned to the ISBE Strategic Plan: Student Learning, Learning Conditions, and Elevating Educators. Each area includes a suite of data elements that, together, describe students' access to opportunities, resources, and supports.

Every data element in the continuum is measurable; valid and reliable; statewide; within the district's control; and already collected, verified, and reported to ISBE. The Equity Journey Continuum is an informational tool to help districts view their data through the lens of equity.
