Entitlement Audit Webinar Q & A (Year 2)

December 5, 2018

1. Is there a minimum or maximum number of candidates who will be audited for each EPP?

At a minimum there will be at least 10 candidates audited from each IHE. There is no maximum number of students as the audit sample will be approximately 15-20% of all individuals entitled by each EPP.

2. Is there a standard form for EPP's to use in conjunction with districts to request confirmation of cooperating teacher qualifications?

Yes, ISBE has developed the Verification of Proficiency Document for this situation. It is now available on the ISBE [Colleges and Universities](#) page below the Educator Preparation Program Resources dropdown.

3. If test results (Basic Skills, edTPA, content tests, etc.) are already present in educator ELIS accounts, do EPP's need to provide this information in any way?

No. ISBE will confirm testing requirements have been within ELIS.

4. Are field experience logs required for every field experience throughout the program or just student teaching?

When a field experience is required as part of an approved program, all logs, including student teaching, should be submitted.
