

FACE Framework

1. Core Beliefs

Core beliefs serve as the basis for what a district believes to be true.

- ALL families can support children in their learning.
- ALL families want the best for their children.
- Families are equal partners in the education of their children.
- School staff and administration are responsible for building and sustaining home- school-community partnerships.

2. Systems

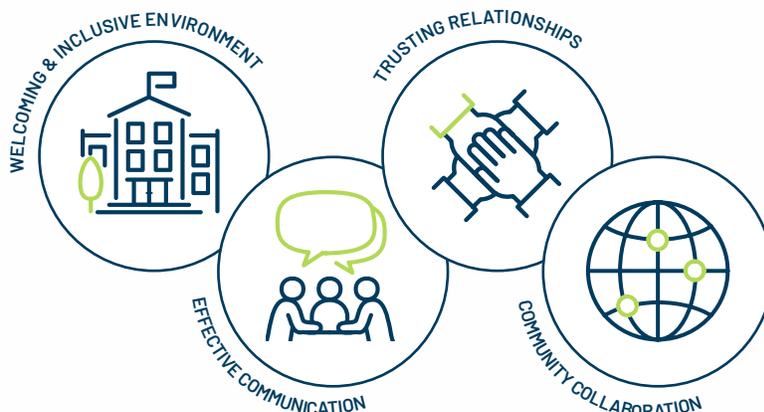

Prior to beginning the work, create equitable conditions and systems for Family and Community Engagement.

- District leadership and Board of Education develop a joint vision/mission for family engagement with staff, families and the community.
- District leadership and Board of Education review/create policies to contribute to equitable family engagement practices and protocols throughout the district.
- District/school leadership understand, promote, and build capacity on the implementation of effective family engagement systems that is mindful of a diverse school communities and student/family needs.
- District/school allocate resources specifically for family engagement.

3. Elements

Family engagement initiatives, practices, and strategies are linked to learning and development goals of the child.

- **Welcoming & Inclusive Environment:** District/school personnel foster a welcoming and inclusive environment for all families.
- **Effective Communication:** District/school personnel engage in meaningful and equitable 360 exchanges of communication with families to support the whole student.
- **Trusting Relationships:** District/school personnel build trusting relationships that honor families as partners and include them in decision-making process.
- **Community Collaboration:** District/school personnel collaborate effectively and engage w/local community members, organizations, agencies, businesses and places of worship to enhance a positive learning environment.

FACE Framework

4. Work Through the Cycle

Use data to move through the cycle of Continuous School Improvement

Use the [Continuous Improvement Model](#) to enhance your family engagement outcomes. Click on the Model for a deeper understanding of this cyclical process.

- Identify local needs.
- Plan for Improvement.
- Select relevant evidence-based practices and interventions.
- Implement and monitor.
- Examine, reflect, and adjust course.
