

FY 2025 IWAS Prevention Initiative Continuation Grant Application Exhibits

Performance Measures and Standards

Fiscal Years: 2019, 2020, 2021, 2024, 2025

FY 2025

Performance Measures

One hundred percent of children enrolled have been determined to be at risk of academic failure according to a program eligibility weighted criteria form and 100% program enrollment for children as defined in the Early Childhood Prevention Initiative 0-3 electronic grant. The program will conduct ongoing and regular screenings to determine if families meet eligibility requirements.

Performance Standards

The program will maintain at least 80% capacity for enrollment for children as defined in the ECBG Prevention Initiative 0-3 electronic grant and 100% of children will be determined to be at risk.

FY 2024

Performance Measures

One hundred percent of children enrolled have been determined to be at risk of academic failure according to a program eligibility weighted criteria form and 100% program enrollment for children as defined in the Early Childhood Prevention Initiative 0-3 electronic grant. The program will conduct ongoing and regular screenings to determine if families meet eligibility requirements.

Performance Standards

The program will maintain at least 80% capacity for enrollment for children as defined in the ECBG Prevention Initiative 0-3 electronic grant and 100% of children will be determined to be at risk.

FY 2021

Performance Measures

One hundred percent of families enrolled have been determined to be at risk of academic failure according to program eligibility weighted criteria form and 100 percent program enrollment for families as defined in the Early Childhood Prevention Initiative 0-3 electronic grant. The program is conducting ongoing and regular screenings to meet eligibility requirements.

Performance Standards

The program maintains at least 80 percent enrollment for families as defined in the Early Childhood Prevention Initiative 0-3 electronic grant and 100 percent of children have been determined to be at risk. The applicant conducts ongoing, regular screenings to meet enrollment requirements.

FY 2020

Performance Measures

100% of families enrolled have been determined to be at risk of academic failure according to program eligibility weighted criteria form and 100% program enrollment for families as defined in the Early Childhood Prevention Initiative 0-3 electronic grant. The program is conducting ongoing and regular screenings to meet eligibility requirements.

Performance Standards

The program maintains at least 60% enrollment for families as defined in the Early Childhood Prevention Initiative 0-3 electronic grant and 100% of children have been determined to be at risk. The applicant conducts ongoing, regular screenings to meet enrollment requirements.

FY 2019

Required Performance Measures

Individual student enrollment and exit data entered into the Student Information System (SIS).
Caregiver demographic data entered in SIS.

FY 2025 IWAS Prevention Initiative Continuation Grant Application Exhibits

Performance Measures and Standards

Fiscal Years: 2019, 2020, 2021, 2024, 2025

0-3 Prevention Initiative Parent Questionnaire and Outcomes Questionnaire submitted annually by July 1.

Program compliance requirements as listed in the ISBE Early Childhood Block Grant Prevention Initiative Compliance Checklist found at <https://www.isbe.net/Documents/block-grant-pi-checklist.pdf>.
