

FY21 College and Career Pathway Endorsement Recipients

Under the Postsecondary and Workforce Readiness Act (P.A. 99-674), public school districts may choose to offer the College and Career Pathway Endorsements to certify the attainment of a pathway endorsement that supports students transitioning to college and a career.

THE FRAMEWORK

INDIVIDUAL PLAN

Each student completing an endorsement must have an individualized plan, which includes college planning linked to early understanding of career goals, financial aid, resume, and personal statement.

PROFESSIONAL LEARNING

Awareness, exploration, and preparation activities that provide opportunities for students to interact with adults in their workplace.

CAREER-FOCUSED INSTRUCTIONAL SEQUENCE

Two years of secondary coursework, or equivalent competencies, that articulate to a postsecondary credential with labor market value. Must include at least 6 hours of early college credit.

ACADEMIC READINESS

Ready for non-remedial coursework in reading and math by high school graduation through criteria defined by district and local community college.

On behalf of the CTE and Innovation Department, we would like to recognize the FY21 College and Career Pathway Endorsements recipients:
