COMPLIANCE WAIVER REQUEST

This form is to be completed when a school believes that a particular compliance request does not apply for the current period. For example: in some years, some schools may not need to hold an enrollment lottery because they are not oversubscribed, or a new school in its first year of operations may not have a prior year's audited financials.

If you believe a document request does not apply to your school, please complete this form and submit it in lieu of the requested item. The boxes in the table will expand as you type. Your request will be reviewed by State Board Staff, and you will be notified of the finding. **NOTE: FOR RECORD-KEEPING PURPOSES, YOU MUST COMPLETE THIS FILE SEPARATELY FOR EACH ITEM YOU BELIEVE DOES NOT APPLY.**

Should you have questions, please contact David Turovetz, Director of Charter Schools, at dturovet@isbe.net
