- Additional Requirements:
 - This page allows you to identify and upload principal letters, MOUs, equitable participation of private schools, etc. A signed principal letter and signed equitable participation of private school form is needed each year. A new MOU will be needed if the previous MOU has expired.
 - We will not be accepting documents via US Mail that can be uploaded into the continuation application.

IWAS Application: Uploads

Label the file name appropriately. Do not use ampersand signs (&) or any special character.

Memorandum of Understanding (MOU) and Principal Letters of Support

- Please make sure all signatures and dates are legible.
- You must upload a current MOU between the program and the school district.
 - If you as the fiscal agent are the school district, we expect to see an MOU with the schools being served within the district outlining responsibilities of 21st Century program/staff and school site/staff. This should be signed by district/21st Century administration as well as administration at each school site being served.
- If you have a multiple year MOU, you must also upload a current signed Principal Letter of Support for each school being served.
 - Upload *both* the multiple year MOU and the current Principal Letter of Support(s).

IWAS Application: Uploads

Label the file name appropriately. Do not use ampersand signs (&) or any special characters.

Equitable Participation of Private School form

- All grantees proposing to serve public school students are required to consult with private schools in the area
- Please make sure the form is current for FY23 and all signatures and dates are legible.
- There should be a form uploaded for each site where the non-public schools align with the program sites' grade levels in the catchment area.
 - If you have two grants with three schools on each grant, then you should be uploading a maximum amount of six forms.
- For speed and ease of review, please add the site name(s) to the bottom of each form.

IWAS Application: Uploads

Equitable Participation of Private School form

- Special Circumstances:
 - If you have a program at an elementary school (K-5) and at a middle school (6-8) and there is a non-public school serving grades K-8, then you may submit one (1) form with both program sites at the bottom of the form.
 - If you have made multiple attempts to contact non-public schools and there has been no response from them, indicate this on the form and grantee should sign and date the form. You must upload a contact log in addition to the Private School form.
 - If there are no non-public schools in the area, indicate this on the form and grantee should sign and date the form. You must upload a map of the school area in addition to the Private School form. You may choose to upload one (1) form if you have multiple program sites in this situation. Each site must be listed at the bottom of the form.

By checking this box, the applicant/award recipient (hereinafter the term applicant includes award recipient as the context requires), hereby certifies and assures the Illinois State Board of Education that:

1. The applicant has the necessary legal authority to apply for and to receive the proposed award. The filing of this application has been authorized by the governing body of the applicant, and the undersigned representative has been duly authorized to file this application for and in behalf of said applicant, and otherwise to act as the authorized representative of the applicant in connection with this application and any award in relation thereto.

DEFINITIONS

"APPLICANT" means an individual, entity or entities for which grant funds may be available and has made application to the Illinois State Board of Education for an award of such grant funds.

"LEA" means the local educational agency.

"AWARD RECIPIENT" means the person, entity or entities that are to receive or have received grant funds through an award from the Illinois State Board of Education. The terms "grantee" and "award recipient" may be used interchangeably.

"GRANT" means the award of funds, which are to be expended in accordance with the Grant Agreement for a particular project, in accordance with applicable federal and state statutes, regulations, administrative rules, and terms and conditions of the award. The terms "grant", "award" and "project" may be used interchangeably.

"PROGRAM" means any applicable program under which federal funds are made available to the applicant.

"PROJECT" means the activities to be performed for which grant funds are being sought by the applicant.

"SECRETARY" means the Secretary of Education.

PROJECT

- 2. The LEA will administer each Program in accordance with all applicable statutes, regulations, program plans, and applications;
- 3. The control of funds provided to the LEA under each Program and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;
- 4. The LEA will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, federal funds paid to that agency under each Program, in accordance with 2 CFR 200.302 and 2 CFR 200.303 and the Illinois State Board of Education's State and Federal Grant Administration Policy, Fiscal Requirements, and Procedures manual, maintained on the Illinois State board of Education's Internet website. The LEA's administration and expenditure of Program funds shall be in accordance with all applicable requirements of the Education Department General Administrative Regulations, a (EDGAR), 2 CFR 200, and other applicable federal state statutes, regulations, and administrative rules.
- 5. The LEA will make reports to ISBE and to the Secretary as may reasonably be necessary to enable ISBE and the Secretary to perform their duties and meet federal reporting requirements, and the LEA will maintain such records, including the records required under 20 U.S.C. 1232f, and provide access to those records, as ISBE or the Secretary deem necessary to perform their duties;
- 6. The LEA will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each Program;
- 7. An application, evaluation, periodic program plan or report relating to each Program will be made readily available to parents and other members of the general public;
- 8. In the case of any Program project involving construction: (A) the project will comply with state requirements for the construction of school facilities; and (B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under 29 U.S.C. 794 in order to ensure that facilities constructed with the use of federal funds are accessible to and usable by individuals with disabilities;
- 9. The LEA has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each Program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and
- 10. None of the funds expended under any applicable Program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or an affiliate of such an organization.
