Allocations for Selected Schools

The following schools have been selected to participate in the Fresh Fruit and Vegetable Program (FFVP) for school year 2024-2025.

Program legislation requires state agencies to determine the amount of FFVP funding to provide participating schools at a rate of \$50-\$75 per student, per year. ISBE allocates FFVP funding at \$50 per student*, to maximize the overall number of students that will benefit from the program.

Each school's allocation is the total amount of funding available to them for reimbursement of allowable FFVP program expenses incurred during school year 2024-2025. Schools must be mindful that funding for this program is limited and therefore, must budget accordingly to ensure the program is available to students all year.

* Allocations are calculated using NSLP student enrollment data from the October claim

****** Note regarding allocations:

As stated in Section 19 of the National School Lunch Act, only elementary schools are eligible to participate in the FFVP; secondary schools are not allowed to participate in FFVP. Schools that have mixed enrollments -- those which include both elementary (grades 8 and below) and secondary (high school grades 9-12) programs -- are allocated funds to provide the Fresh Fruit and Vegetable Program for enrolled elementary students ONLY.
