- Enrollment Grade Discrepancies Report

2022 Enrollment Grade Discrepancies Report				8/2/2021 10:25 am
Shown in this report are discrepancies between grades served in SIS (Student Information System) and EPS (Entity Profile System). To correct these discrepancies please either change the grades served data in SIS or make the change in EPS (both systems are available through IWAS). The grades served in EPS can only be updated by authorized people at the School District level, so please contact your district office if grades served data needs to be changed for one or more schools. If you have any additional questions about this report, please contact the Technology Support Call Center at 217-558-3600. Thank you.
