

Grade (s)	Unit 1	Unit 2	Unit 3
3-5	Non-calculator (60 min)	Non-calculator (60 min)	Non-calculator (60 min)
6	Non-calculator section and Calculator section (e.g., split) (60 min)	Calculator (60 min)	Calculator (60 min)
7	Non-calculator section and Calculator section (e.g., split) (60 min)	Calculator (60 min)	Calculator (60 min)
8	Non-calculator (60 min)	Calculator (60 min)	Calculator (60 min)

Short answer and constructed-response items are dispersed throughout the units. However, there are no constructed-response items in **grade 6 or above** in the **non-calculator sections/units**. The number of points in each unit remains fairly consistent. Since the math assessment is points-based, the number of items in each unit will vary.
