Please join us for the Spring 2021 IAR Assessment Training Webinar Series

Pearson is committed to helping districts and schools plan for a successful Spring 2021 IAR administration.

A confirmation email containing a link to the webinar will be sent shortly after completion of registration. You may register for more than one training webinar. For those unable to attend, the webinars will be recorded and posted on the [IAR website](#).

Due to the overwhelming interest in the IAR Training Webinars, an afternoon session has been added for each of the future offerings. Thank you for your interest and patience as we work to improve access.

1.) Tuesday, January 26, 2021 - 10:00 am – 12:00 pm

Test Administrator Webinar Training (users with 0-2 years of experience)

This training is geared towards new test administrators and will provide detailed step- by-step information for district and school test coordinators.

The recording and presentation from the January 26th webinar will be posted on the [IAR webpage](#) and the [Pearson Resource webpage](#) as soon as they are available.

2.) Thursday, January 28, 2021 - 10:00 am – 11:00 am *(Full)* or 1:00 pm – 2:00 pm

Test Administrator Webinar Training (users with 2+ years of experience)

This training will be geared towards experienced users and will provide an overview of 'What's New for Spring 2021' information.

3.) Thursday, February 4, 2021 - 10:00 am – 11:00 am or 1:00 pm – 2:00 pm

Technology Coordinator Training

This training will provide updates on technology activities and supported devices for the Spring 2021 administration.

Click the link below to register for an upcoming training webinar. A confirmation email will be sent shortly after completion of registration.
