

IDEA Grant Periodic Reporting Form

Periodic performance reporting is required for IDEA flow-through and preschool grants. This process must be completed online through the IWAS system.

- Any entity receiving a direct IDEA allocation must complete the periodic performance report in the IWAS System.

IDEA grantees need to complete the IDEA Grant Application Periodic Reporting Form (ISBE 34-35) and upload the form in the IWAS system.

Instructions for the IDEA Grant Application Periodic Reporting Form (ISBE 34-35)

- Select Quarterly or Monthly
- Enter the date
- Enter the LEA name
- Complete the checklists - the form notes when any explanations are required.
- Save the document and upload in the periodic performance reporting system in IWAS.
- The form can be used for both the IDEA flow-through and preschools grants.
- Review for any needed revisions, e.g. IDEA proportionate share and CEIS funds expended in the flow-through grant, but not in the preschool grant.
- The maintenance of effort (MOE), excess cost, LEA determinations, and required professional development status will be the same for both grants.
- The form can be saved and updated for the next quarterly report.

Deliverables

Fiscal - IDEA flow-through funds are used to supplement local spending in providing special education/related services to students with IEPs and to provide special education/related services to parentally placed nonpublic students with individualized services plans (ISPs). Programmatic - FAPE is provided to IDEA eligible students with IEPs and ISPs ages three through 21.

UGA Exhibit B (Briefly convey information regarding the status of the deliverable)
