State Institutions with Children and Youth Eligible to be Served by Title I, Part D

Under [ESEA section 1411](#), an SA is eligible to receive a Subpart 1 subgrant from the SEA if the SA is responsible for providing free public education to children and youth in one or more of the following institutions below.

An institution for neglected children and youth, as determined by the SEA, is a public or private residential facility, other than a foster home, that is operated primarily for the care of children and youth who (1) have been committed to the institution or voluntarily placed in the institution under applicable State law, due to abandonment, neglect, or death of their parents or guardians; and (2) have had an average length of stay in the institution of at least 30 days. ([ESEA section 1432\(4\)\(A\)](#); [34 C.F.R. § 200.90\(b\)](#)).

An institution for delinquent children and youth, as determined by the SEA, is a public or private residential facility that is operated primarily for the care of children and youth who (1) have been adjudicated to be delinquent or in need of supervision and (2) have had an average length of stay in the institution of at least 30 days. ([ESEA section 1432\(4\)\(B\)](#); [34 C.F.R. § 200.90\(b\)](#)).

Community day program is a regular program of instruction provided by an SA at a community day school operated specifically for neglected or delinquent children and youth. ([ESEA section 1432\(3\)](#)).

Adult correctional institution is a facility in which persons (including persons under 21 years of age) are confined as a result of a conviction for a criminal offense. ([ESEA section 1432\(1\)](#)).

As noted previously, the SA must provide free public education to children and youth. That education must be a **regular program of instruction**, meaning an educational program (not beyond grade 12) in an institution or a community day program for neglected or delinquent children that consists of classroom instruction in basic school subjects such as reading, mathematics, and career and technical education, and that is supported by non-Federal funds. Neither the manufacture of goods within the institution nor activities related to institutional maintenance are considered classroom instruction. ([34 C.F.R. § 200.90\(b\)](#)).

Key Requirement Charts

Children and youth are eligible to receive services under Subpart 1 if they are:

- 21 years of age and younger ([34 C.F.R. §§ 200.90\(a\)](#) and [200.103\(b\)\(1\)](#));
- Entitled to free public education up to grade 12 ([34 C.F.R. §§ 200.90\(a\)](#) and [200.103\(b\)\(1\)](#)); and
- Enrolled in a regular program of instruction at either an eligible institution or community day program for the required length of time, including:
 - 20 hours per week if in a neglected or delinquent institution or community day program that serves juveniles; or
 - 15 hours per week if in an adult correctional institution ([ESEA section 1412\(a\)\(1\)\(A\)](#); [34 C.F.R. § 200.90\(b\)](#)).
