School Establishment

Prepare Your School

School Establishment

- Schools must have a Level 2 Attending Institution (AI) Code to participate in the spring administration: If your school has ordered materials in the past and has administered assessments for PSAT 8/9, PSAT 10, SAT and/or AP, the school is prepared to order tests for the spring administration.
- Schools with Invest in Kids Scholarship recipients must complete the establishment survey annually.
- ISBE will post a list of established schools on:

Off-Site Testing

Prepare Your School

Off-Site Testing

- Off-site testing may be used if a school is unable to comply with testing conditions due to the following reasons:
 - School is unable to comply with testing conditions due to inadequate space
 - School is unable to comply with testing conditions due to insufficient number of personnel
- **Schools administering SAT School Day, the PSAT 10, and the PSAT 8/9 under the Invest in Kids Act (orders are placed within the Test Ordering System) are not required to complete an off-site form.**
- Schools will not need to submit an off-site plan for approval for their SAT School Day spring 2021 administrations. For SAT School Day, the PSAT 10, and the PSAT 8/9, test coordinators will select the off-site testing sites and order materials for those sites accordingly.
- Schools following local health guidelines can use this option to distribute students among multiple locations, allowing for more distance between test takers.

Prepare Your School

Off-Site Testing

- To ensure accurate test material tracking, security, and adherence to test administration policies:
 - Record the off-site testing location name and testing room code(s).
 - Provide test books in intact bundles.
 - Record the number of test books provided to each off-site testing location.
- Order extra materials in proportion to the number of off-site testing locations you're using to avoid the need to break test book bundles.
- College Board recommends that schools return materials from off-site and primary testing locations in one consolidated shipment for each test administration date, if possible.
 - If you plan to return materials directly from each site, contact customer service using the contact information listed in the coordinator manual to request additional test materials return kits.

Accommodations & Supports

Services for Students with Disabilities (SSD)

English Learner (EL) Supports

Accommodations

Accommodation requests approved by the College Board are required for PSAT 8/9, PSAT 10, and SAT School Day.

- Accommodations requests must be submitted by the SSD coordinator in the SSD system to be approved before the ordering deadline.
- SSD coordinators will use SSD Online to submit accommodation requests on the behalf of students.
- Schools can have multiple SSD coordinators.
- If the SSD Coordinator is new, the following form must be completed: <https://accommodations.collegeboard.org/pdf/ssd-coordinator.pdf>.
- Once approved, students remain approved for College Board accommodations for all other College Board assessments, including AP[®] exams. If a student's IEP or 504 changes, the SSD coordinator can modify the requested accommodations in SSD Online.
- If students test with any accommodations that are not preapproved by the College Board, scores for those students will not be reported.

Prepare Your School

Accommodations and SSD Coordinators

- Each school should follow state and district procedures for collecting consent to request accommodations for students with disabilities and also for English Learners, as applicable.
 - <https://accommodations.collegeboard.org/forms>
- Accommodations requests are submitted by each school's SSD coordinator via SSD Online.

Accommodations

- For students testing under the Invest in Kids Act, accommodation requests must be entered in SSD Online for all three assessments, PSAT 8/9, PSAT 10, and SAT School Day.
- The entry of PSAT 8/9 accommodations is required for state assessments, therefore, for students testing under the Invest in Kids Act, accommodations must be entered for students in Grade 9. This guidance is **not** provided in College Board's SSD Online.

Changes for 2021

Accommodation Names

Certain accommodations are referred to in new ways (how they're administered won't change):

- 50% extended time is now “time and one-half (+50%)”
- 100% extended time is now “double time (+100%)”
- Braille graphs and figures is now “raised line drawings”
- Magnifiers and magnifying machines are now “non-electronic magnifying devices” and “electronic magnifying devices” respectively
- MP3 audio is now “pre-recorded audio (MP3)”
- Large-block answer sheet is now “large-print answer sheet”
- Written copy of oral instructions is now “printed copy of verbal instructions”

Changes for 2021

SSD Online

SSD Online will release a series of enhancements which were developed in partnership with SSD Coordinators:

A modern, streamlined user experience

- User-friendly dashboard with improved filtering and access to student information
- Simplified accommodations request process

SSD Online will look different, but there **won't be any changes to:**

- Accessing the system
- How accommodations will be reviewed
- Deadlines to submit requests

For an on-demand training on SSD, visit the following [link](#).

Accommodations

Test Formats for Students with Disabilities

After accommodations have been entered and approved in SSD online, the test coordinator must place an order for any required nonstandard materials.

- For students testing under the Invest in Kids Act, accommodation requests must be entered in SSD Online for all three assessments, PSAT 8/9, PSAT 10, and SAT School Day.
- After approval for accommodations is provided, test coordinators must order nonstandard test formats for students who need them.
- The following formats are examples of alternate formats that can be ordered online. This list is not exhaustive and may vary by assessment.
 - **Raised Line Drawings**
 - **Large-Print**
 - **Prerecorded Audio**
 - **Human Reader**

Prepare Your School

English Learner Supports

English learners (EL) are able to utilize EL supports for Spring 2021 testing.

These supports include:

- Use of an approved word-to-word bilingual dictionary
- Use of translated test directions, and
- 50% extended time

Students may use one or any of these supports in combination. Students will receive college-reportable scores when any of these supports are used.

Prepare Your School

English Learner Supports

Use of an approved word-to-word bilingual dictionary:

- List includes approximately 100 dictionaries.
- Use of dictionary does NOT require an approval by College Board.

Use of translated test directions:

- Translated test directions will be available in PDF format for each assessment. Schools must print the directions for students, no printed test directions will come with test materials.
- Directions will be available in Albanian, Arabic, Bengali, Chinese (Mandarin), French, Gujarati, Haitian Creole, Hindi, Polish, Portuguese, Russian, Spanish, Urdu, and Vietnamese. The College Board will also support "on the fly" translations of directions by district-approved translators.
- Use of translated test directions does NOT require an approval by College Board.
- Translations will be available to print in February at:
<https://collegereadiness.collegeboard.org/educators/k-12/english-learner-supports>

Prepare Your School

English Learner Supports

Use of Time and One-half (+50%) :

- Students will receive time and one-half (+50%) on each section of the assessment. Students must sit for the entire time allotted and cannot go ahead in the test even if they are the only one testing.
- Although not an accommodation, EL students requiring time and one-half (+50%) will need to be identified in SSD Online.
- Schools can request 50% extended time for ELs **starting in Mid-January** through the English Learner Support dashboard in SSD Online. Students will be automatically approved and no supporting documentation is required.
- EL students using 50% extended time can be tested with accommodated students who use the same timing and test materials.
 - Deadline to request extended time for ELs (English Learners): February 26, 2021, for PSAT 10 and PSAT 8/9.
 - Deadline to request extended time for ELs (English Learners): March 5, 2021, for SAT School Day
