P-EBT Eligible Schools**

This list of P-EBT eligible schools is posted in alphabetical order by city, then alphabetical order by school/site name. Complete information about P-EBT may be found at [www.isbe.net/pebt](http://www.isbe.net/pebt). If a school is marked Yes in Column G (CEP), this refers to Community Eligibility Provision (CEP). At a CEP school, all enrolled students are eligible for P-EBT benefits, should they have any qualifying school days. If this column is blank, a student at that school must be eligible for free or reduced-price school meals based on socioeconomic conditions to qualify for P-EBT should they have any qualifying school days. If the school that your students attend is NOT listed below, enrolled students are not P-EBT eligible, as the school was required to participate in the National School Lunch Program as of February 2020.
