

Join the Illinois Lift Roundtable

Purpose: ILift will create an information-sharing venue with the goal to aid in building the capacity and sustainability of Illinois families.

- Quarterly meetings will include state of Illinois updates, opportunities for collaboration, and problem-solving.
- A directory of participants will be created for cross collaboration and as a resource for family-facing professionals in schools.
- Meetings will be held virtually with the potential to grow in-person.
- Agendas will be open for all entities to add their news/resources, including fliers. A monthly newsletter will be shared with family facing professionals in schools.

Invitees: Professionals who work in agencies, organizations, and nonprofits that provide resources and services to uplift Illinois families;

- Entities that provide tangible goods, resources, workshops, and events throughout Illinois
- Entities that provide professional development for those working with families in Illinois
