Unfinished Learning Webinars

By attending these 90 min sessions, you will have an opportunity to:

- Refine your vision for planning and leading with an equity lens in regards to addressing unfinished learning
- Gather best practices for students who transitioned to remote learning or may have missed instructional time due to the pandemic
- Learn strategies for increasing access to grade-level academic content through targeted, intentional scaffolding
- Earn one hour of ISBE Continued Professional Development credit per webinar

Please contact ILTeachTalkLearn@isbe.net with any questions
