Highway Access

Most visitors will come into Springfield from 1-55. For all others approaches, see map.

From 1-55: Take the Clear Lake Avenue exit. As you near downtown, Clear Lake merges into Jefferson Street, a one-way, westbound street that intersects with North First Street. The agency is in the Alzina Building, a six-story, pink-hued glass building on your left. Washington is a one-way eastbound street that borders the south side of the building.

Parking

Parking Lots and Ramps: Rates vary. The rate for the city ramp at Fourth and Washington is \$5.00 per day.

On-Street Parking: Meters are \$.50 per hour, and most have two-hour limits. If you plan to be in the building longer than two hours, you'll have to leave the block for at least one hour to avoid being ticketed. Some five and nine hour meters are available on certain streets. Crossing to the other side of the street isn't considered leaving the block. While parking, be sure to align your vehicle within the area defined by the "T-" or "L-shaped" markers. Tickets for illegal parking average from \$10 to \$250 and double after 14 days, if left unpaid.
