

ISBE wants your input on its

STRATEGIC PLAN

Illinois
State Board of Education

Join us at one of the engagement sessions below to inform how ISBE will achieve its goals:

GOAL 1: Student Learning

Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.

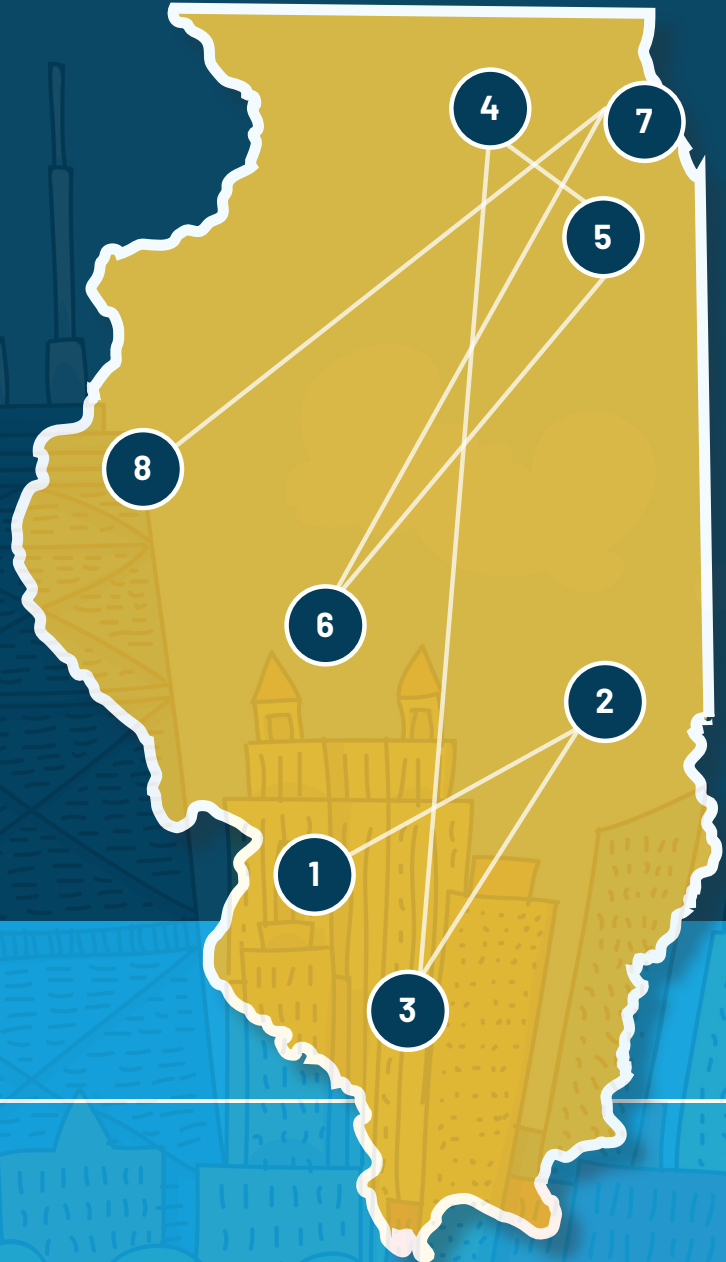

GOAL 2: Learning Conditions

All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.

GOAL 3: Elevating Educators

Illinois' diverse student population will have effective educators who are prepared through multiple pathways and are supported in and recognized for their efforts to provide each and every child an education that meets their needs.
