12

- Click on System Listing on the left menu

The screenshot shows the Illinois State Board of Education website dashboard. At the top left is the seal of the State of Illinois. To its right is the text "Illinois State Board of Education" and the names of the Chairman, Darren Reisberg, and the State Superintendent of Education, Dr. Carmen I. Ayala. Below this is a decorative banner with the text "I W A S T R A I N" repeated. A login field is visible. On the left side, there is a vertical menu with four items: "Home", "System Listing" (highlighted with a red box), "Pending Documents", and "Change Password". The main content area is divided into two columns. The left column contains "Messages :" with links for "1 unread Inbox message(s)" and "0 unread Archived message(s)", and "Require Action :" with links for "0 Sign-ups pending your approval" and "0 Documents pending your approval". The right column contains the text "We have your email address listed as:" followed by a redacted email address and the instruction "If this is NOT correct, [click here](#) to update."

School Summary District Summary User Documentation

Please read carefully before making a selection.

A. Health Examination Requirements
All children must receive health examinations before

- entering Illinois schools for the first time,
- entering kindergarten or grade 1,
- entering grade 6, and
- entering grade 9.

B. Immunization Requirements

- All children in PreK-grade 12 must provide proof of immunization against polio, measles, mumps, rubella, and Varicella/Chickenpox.
- All children in PreK and grades 6-12 must provide proof of immunization against hepatitis B.
- All children in PreK must provide proof of immunization against Hib.
- All children in grades PreK-12 must provide proof of immunization against DTP/DTaP/Td.
- All children in grades 6-12 must provide proof of immunization against Tdap.
- All children in PreK must provide proof of immunization against Pneumococcal.
- All children in grade 6, grade 7, grade 8, grade 9, grade 10 and grade 12 must provide proof of immunization against Meningococcal.

You are required to report data for all students (as described in A and B) for whom your school is their home school, regardless of whether they are being educated at your school or another school. If you are a nonpublic school (not a special education private facility) and serve a student on a part-time basis, you must collect and report immunization data for that student. For more information on "Who is responsible for providing immunization data?", please refer to the link "User Documentation" (located in the yellow row on the top right).

You should not report data for students who have been placed at your school to receive educational services (i.e., your school is not their home school and they would not ordinarily attend school there).

Based on the clarifications above, select one of the following options:

We have student data to report.

We have no student data to report.
(This school is not the home school for any student.)

- Click on System Listing on the left menu

The screenshot shows the Illinois State Board of Education website dashboard. At the top, there is a blue header with the Illinois State Board of Education logo on the left and the text "Illinois State Board of Education" in the center. Below the header, the names of the Chairman and State Superintendent of Education are listed. A decorative banner with the word "IWA STRAIN" is visible. On the left side, there is a vertical menu with the following items: "Home", "System Listing" (highlighted with a red box), "Pending Documents", and "Change Password". The main content area displays "Messages : 1 unread Inbox message(s)" and "0 unread Archived message(s)". Below this, it shows "Require Action : 0 Sign-ups pending your approval" and "0 Documents pending your approval". On the right side, there is a message: "We have your email address listed as: [redacted]. If this is NOT correct, click here to update."

- On the *My Systems Page*, click on **Student Health Data–Vision**, under the category *Annual*. This will take you to the **School Listing Screen**

The screenshot shows the 'My Systems' interface. On the left is a navigation menu with options: Home, System Listing, Pending Documents, Change Password, Messages - Inbox, Messages - Archived, Contact Us, Help, Log Out, and IWAS Training Video. The main content area is titled 'My Systems' and contains a list of systems. The 'Reporting' category is expanded, showing the 'Annual' sub-category. Under 'Annual', the 'Student Health - Eye Exam' system is listed and highlighted with a red box. Other systems listed include 'Student Health Data - Dental', 'Student Health Data - Immunization', and 'Student Health Data - Physical Fitness'. Each system has an 'Authorized' button. A legend at the bottom explains the icons: a blue circle with an 'i' for 'System Description - Detailed', a calendar icon for 'Due Dates', and a person icon for 'Profile'. A link 'Want to Signup for Other Systems?' is also present. The footer includes 'Copyright © 2019 Illinois State Board of Education'.

- Note:** If you do not see the *Student Health Data–Vision option*, contact the *ISBE Helpdesk at 217-558-3600*.

Please read carefully before making a selection.

A. Eye Examination Requirements

- All children entering kindergarten are required to have an eye examination.
- Children entering grades 1-12 in an Illinois school **for the first time** are required to have an eye examination.

You are **required to report data** for all students (as described above) for whom your school is their home school, regardless of whether they are being educated at your school or another school. If you are a nonpublic school (not a special education private facility) and serve a student on a part-time basis, you must collect and report immunization data for that student. For more information on “who is responsible for providing immunization data”, please refer to the TWAS User guide found in the link “User Documentation” (located in the yellow row on the top right).

You **should not report data** for students who have been placed at your school to receive educational services (i.e., your school is not their home school and they would not ordinarily attend school there).

Based on the clarifications above, select one of the following options:

- We have student data to report.
- We have no student data to report.

On the right, there are links for 'Data Analysis', 'DSSE HOME', 'HELP', and 'LOGOUT', along with a 'SESSION TIMEOUT' indicator showing '19:58'. Below the header, there are fields for 'RCDT', 'County', 'Name', and 'School'. The 'School' field is populated with 'Elem School'. A navigation bar below the header contains three tabs: 'School Summary', 'District Summary', and 'User Documentation'. A red warning message states: 'Please read carefully before making a selection.' Below this, a section titled 'A. Eye Examination Requirements' contains two bullet points: 'All children entering kindergarten are required to have an eye examination.' and 'Children entering grades 1-12 in an Illinois school for the first time are required to have an eye examination.' Further down, there are two paragraphs of text explaining reporting requirements. Below the text, there is a section titled 'Based on the clarifications above, select one of the following options:' with two radio button options: 'We have student data to report.' (which is selected and highlighted with a red box) and 'We have no student data to report.'. At the bottom, there are two buttons: 'Back' and 'Next' (which is highlighted with a red box).

1. For Kindergarten, the 'Total Student Count in Selected Grade' must equal the 'Number of Students in the Selected Grade Who Require an Eye Examination'.
2. For grades other than Kindergarten, the 'Total Student Count in Selected Grade' typically will not equal the 'Number of Students in the Selected Grade Who Require an Eye Examination' because, for these other grades, an eye examination is required only for students who have never attended an Illinois school. For example, you have 25 students in grade 5. Of these 25, four students came from out-of-state and one student was home schooled before entering grade 5 at your school; none of these five previously attended an Illinois school. In this case, you should enter "25" in the 'Total Student Count in Selected Grade' field and "5" in the 'Number of Students in the Selected Grade Who Require an Eye Examination' field.
3. The sum of numbers in fields 'a' through 'g' (i.e., a + b + c + d + e + f + g) must equal the number entered in the 'Number of Students in the Selected Grade Who Require an Eye Examination' field.
