

Install Check Directions:

Each district has an assigned set of access codes that will allow you to test the ISA system. Find your district in the list and then please use ONLY "your" access codes.

Start SEB on the student device

Sign in using one of your 10 character codes

Navigate through the three items

Select "Save and Return Later" (this will allow you to reuse the access code)

To completely exit the SEB use the password 472317
