

### **On-Demand sessions:**

#### **Topic: Social Emotional Learning Life Skills NOT Lesson Plans**

From practical, hands-on activities to embracing a holistic SEL framework, this session makes social and emotional learning the foundation for promoting positive student outcomes. Participants will understand how a comprehensive, equity-based SEL approach aligns to the SEL Framework competencies, the Illinois Social/Emotional Learning Standards, and KIDS Measures.

#### **Topic: KIDS Refresher**

If you have previously attended the required KIDS Implementation Training or it has been a while since implementing the tool due to a grade level change then this refresher is for you. This session is a review of implementing the KIDS tool focusing on the developmental continuums, importance of observing and documenting and how to access KIDStech reports.

#### **Topic: Observing and Documenting: Anytime, Anyplace**

This session will focus on refining observation skills and documenting evidence-- in any setting-- to support and inform instruction. We'll review best practices in collecting evidence that can work for your learning plan. Tune in to learn strategies on collecting descriptive and rich documentation.
