### KIDS - Second Year Results: An Overview for Administrators

(Webinar presented on Apr 04, 2019 at 3:30 PM CDT)

QUESTION	RESPONSE
<b>Where will this data be presented to the public?</b>	The data will be released to the public on the KIDS Website, similar to last year. ISBE is in the process of determining potential strategies and methods for presenting the data, as well, but those methods have not yet been finalized.
<b>When will it be posted on the KIDS website?</b>	ASAP
<b>Where will this presentation be posted?</b>	This webinar will be posted in the “ <b>District Resources</b> ” Section of the KIDS Web pages: <a href="https://www.isbe.net/Pages/KIDSAdminandTeachers.aspx">https://www.isbe.net/Pages/KIDSAdminandTeachers.aspx</a>
<b>Is there access to number or percent of students demonstrating readiness in all three domains?</b>	The readiness percentage for all three developmental areas is the <b>overall readiness for the district</b> .
<b>The data is embargoed until June 25th. Does that mean that we can not frame or share the narrative prior to June 25th?</b>	Once you share data, it is FOIA-able. The public should not have access until the June public release.
<b>When we used the alternate LLD we were "dinged" for not having all students assessed for LLD...why?</b>	Not sure about the "dinged" part. Please contact Terri Lamb <a href="mailto:tlamb@isbe.net">tlamb@isbe.net</a> or 217-524-4835.
<b>Who do we communicate to about possible errors in the data as seen on the 3/22 release?</b>	Please contact Terri Lamb <a href="mailto:tlamb@isbe.net">tlamb@isbe.net</a> or 217-524-4835.
<b>Will the data be disaggregated by demographics?</b>	ISBE, in collaboration with a number of community partners and stakeholders, is in the process of analyzing the data . The decision to disaggregate by specific demographics will likely be determined by Dr. Ayala, the State Education Superintendent.
<b>Is there a reference guide for how to navigate the data in KIDStech? All the reports to look at and how?</b>	Yes - the best person to contact about that and about any KIDStech specific questions is Michelle Escapa, <a href="mailto:mescapa@roe51.org">mescapa@roe51.org</a> or 217-801-6566.
