Lexile Tools and Resources

The Lexile® & Quantile® Hub

The Hub platform provides access to all of the Lexile and Quantile tools that support student learning and growth in reading and math. Read tool descriptions provided below or visit the Hub at hub.lexile.com.

Digital Library

Explore our Digital Library to access brief videos about the Lexile and Quantile Frameworks, along with informative descriptions of the tools available on the Lexile and Quantile Hub.

Lexile K - 2 Tools

Find a Decodable Book
Search for decodable books by vowel sound(s). View a book's percentage of vowel sounds and words grouped by spelling patterns.

Decodable Passages
Select decodable passages by instructional focus. Download and print passages for classroom use and sharing.

Lexile K - 12 Tools

Lexile® Find a Book
Search among over half a million books using the Find a Book browser that:
- Offers previews of challenging words and their definitions for each book.
- Identifies the Lexile level and vocabulary by chapter for over 1,600 popular books.
- Creates and manages personal book lists that can be shared.
- Searches by a student's Lexile measure or range, grade level or interests.

Lexile® Grade Level Charts
View and print student Lexile measures by grade level. Filter your view by grade(s), time of year, and student population percentiles.

Lexile Analyzer®

Paste or type in text of 500 words or less to discover:

- The Lexile range for the text.
- Early Reading Indicator information for texts 650L and below.
- Lists of similar books.
- Challenging words highlighted in the text along with their definitions, parts of speech, example sentences.
- Toggle to Spanish to paste or type text in Spanish and get a Lexile range.

Lexile® Growth Planner

Chart a student's reading growth across different annual state assessments and forecast future growth. With the Growth Planners, you can:

- Forecast college and career readiness with Lexile measures.
- Compare Individual student results to national student performance.
- Explore career options along with expected reading demands
- View national and state career information

Lexile® Career Database

Identify the Lexile level associated with the reading demands of a particular career in this tool.

Lexile® WordLists

Create your own customized lists of consequential words from a collection of 40 million words based on general and academic domain K-12 vocabulary. Lists can be downloaded and printed.

Lexile® Measures Manager

Determine a student's optimal reading measure when two assessments have resulted in significantly differing Lexile measures.

Additional Tools and Resources

CyberDrive Illinois

Illinois students, parents and educators have access to CyberDrive Illinois. This database contains an abundance of online newspaper and magazine articles to match students' Lexile ranges.

Lexile Fact Sheets and FAQs

Access communications resources including the Lexile parent guide, educator guide, librarian guide, Lexile map and Lexile infographic.

More information about the Lexile Framework can be found at Lexile.com.
