Connection to Public Report Card Displays

Each page repeats key elements of the Report Card display for that metric but also breaks performance down by the cohorts of students moving through the school.

Progress by Report Card Year

Progress over time analysis allows users to view trend changes and progress.

Cohort Trend Displays

New Detailed Rosters

Depending on the metric and user roles, a detailed, filterable roster will be available

"The rate at which improvements and user interface designs are being coded into the dashboard is just phenomenal. What's also incredibly beneficial about this work is that the dashboard is focused and aligned to the data that Illinois schools need to look at."

- Patrick Hoover
Chief Innovation and Technology Officer
Aptakisic-Tripp School District 102

Future Enhancements for My Data Dashboard

1 Inclusion of additional Report Card metric visualizations including academic assessment metrics

2 Ability to include to include draft AFRs/Budget in Financial section of the tool (coordinated with agency initiative)

3 Summative Designation Explainer

4 Redesigned Teacher Portal
