**METT CAREER PATHWAY GRANT  
SEMIANNUAL REPORT**  
Due December 15, 2024, and December 15, 2025

SUBMITTED DATE

**CTE AND INNOVATION DEPARTMENT**

PROJECT NAME	RCDT NUMBER	CONTACT NAME	PHONE NUMBER (Include Area Code)
--------------	-------------	--------------	----------------------------------

**Directions:** Please write a narrative for each of the following questions addressing the implementation progress made toward the goals/objectives, activities, and expected outcomes. This reporting period should include activities from July 1 to December 1.

1. Discuss the current data collection and analysis. From there, discuss the deficiencies and provide a plan to improve and grow a robust process that identifies disparities and gaps in equity and access to METT programs (include identifying and recruiting potential students, including all members of specific populations, to pathways in the METT career field).

[Empty response area for question 1]

2. Discuss meetings that have been conducted and adjustments to the Implementation Plan that have occurred in collaboration with all members of the Planning Committee.

A large, empty rectangular box with a thin black border, intended for providing details about the meetings and adjustments mentioned in the list item above.

3. Discuss how your Implementation Plan's proposed goals and timelines have progressed and are moving towards completion of the achievement of grant objectives. What has taken place? What adjustments or additions are you proposing (within the scope of the grant)? Be sure to update your Implementation Plan so you are able to continue to move goals forward. You will upload your annual revised Implementation Plan using the upload feature in the METT Continuing Application.

Goal 1: Copy goal(s) directly from your approved Implementation Plan.

Goal 2: Copy goal(s) directly from your approved Implementation Plan.

Goal 3: Copy goal(s) directly from your approved Implementation Plan.

Goal 4: Copy goal(s) directly from your approved Implementation Plan.

Goal 5: Copy goal(s) directly from your approved Implementation Plan.

Goal 6: Copy goal(s) directly from your approved Implementation Plan.

4. Discuss any created, planned, implemented, or contracted professional learning opportunities for capacity-building that have occurred or been planned. Who has participated? What occurred? When did it occur? What were the outcomes? What are next steps?

5. Discuss how the implementation of student-personalized learning plan, including details of alignment to METT Career Pathways and programs. How did you create connections to the local workforce via business, industry, and postsecondary institutions? What partners have been part of the Implementation Plan? Who else needs to be included moving toward implementation and program goals? What strategies do you have planned for building partnerships? What resources are still needed?

6. Discuss what has been part of your implementation that provides provisions for career counseling; student interest surveys; and student internships, including the opportunity to earn dual credit, endorsements, and/or industry credentials. What challenges have occurred? What solutions were found to the challenges?

7. Discuss the progress you have made in planning your new METT Career Pathway. What successes have occurred? What challenges have been encountered? How did the team problem-solve some of the challenges? What still needs a solution? What resources will be needed?
