

My Data Dashboard

My Data Dashboard, launched as a replacement to Ed360 in 2022, continues to add additional metrics, visualizations, and tools that allow for a deeper understanding of how data can be used for student and school improvement initiatives and analysis. The intention is to make biannual updates to the tool to provide a continually improved system for users.

For inquiries about My Data Dashboard, please email mydashboard@isbe.net.

For inquiries about MyIRC, please email myiirc@niu.edu or call 815-753-0978.

January 2025

My Data Dashboard Features:

- Inclusion of new metrics visualizations that allow users the ability to use and understand data reported publicly at a more detailed level.
- Ability to see data via cohort, trend, and snapshot, as well as a detailed filterable roster, allowing users to analyze and dissect data at a nuanced level.
- Additional historical data and ability to see data at all performance levels.
- Ability to sort and filter by proficiency level at the student level.
- Detailed deconstruction of Summative Designations and other future accountability initiatives.

New Visualizations/Features for January 2025:

- KIDS Survey
- Access expanded from only District Administrators to include School Administrators, District Financial Users and enhancements for ROE Administrators.

Redesigned Metric Visualizations:

- 8th Graders Passing Algebra I
- 9th Grade on Track
- ACCESS (including subclaim performance details)
- Chronic Absenteeism
- Chronic Truancy
- DLM
- Graduation Rate
- ISA
- IAR
- SAT
- Summative Designation
