The screenshot displays the Illinois State Board of Education website. The header includes the logo and text "Illinois State Board of Education" along with links for "Careers at ISBE" and "Contact Us". The main navigation bar contains links for "Log Into ELIS", "Log Into IWAS", "Public School District Lookup", "FRIS Inquiry", "IL Report Card", "About the Agency and Board", and "Topics A-Z". The breadcrumb trail shows "Multilingual > World Languages". The page title is "MULTILINGUAL WORLD LANGUAGES". The introductory text states: "The Illinois Learning Standards for World Languages guide learners to develop competence to communicate effectively and interact with cultural competence to participate in multilingual communities at home and around the world. The five 'C' goal areas (Communication, Cultures, Connections, Comparisons, and Communities) stress the application of learning a language beyond the instructional setting. The goal is to prepare learners so they can apply the skills and understandings measured by the standards to their future careers and experiences, which will increasingly occur on a global scale." Below this text are five dropdown menus: "Standards", "Professional Organizations and Development", "Language Endorsements", "Ethnic Language Schools", and "Resources".

Ethnic Language Schools

Requirements and Application for Recognition

An ethnic language school is a part-time private program that teaches the foreign language of a particular ethnic group as well as the culture, geography, history, and other aspects of the culture of that ethnic group.

Applications for the 2022-23 school year will be accepted from **August 1 until November 1**. Additionally, please ensure that a current email address is included on your application. Applications should be sent to Jay Reinoso at jreinoso@isbe.net.

An ethnic language school may seek approval to show that the language instruction offered is equivalent in content, rigor, etc. to foreign language instruction offered at a public high school. This program provides for that approval under 105 ILCS 5/2-3.44 in the School Code. The School Code has additional references to ethnic language schools under 105 ILCS 5/2-3.45 and 105 ILCS 5/10-22.43a.

- A minimum of 120 hours per student of instruction in language (and culture) is required for this approval.
- Application for Ethnic School Foreign Language Program Approval (39-16)
- SY 2021-2022 Approved Ethnic Foreign Language Programs

Earning the Seal of Biliteracy

High school students who participate in ethnic language schools may become sufficiently skilled in a language so as to be eligible for the Seal of Biliteracy. This Seal is earned solely through the demonstration of language proficiency via standardized testing or portfolio assessment and is not dependent upon the student having any high school foreign language credits. It may be earned by students enrolled only in those public school districts and nonpublic schools participating in the Seal of Biliteracy program. An ethnic language school may provide the necessary instruction, but the student's school awards the Seal. Please note that a student seeking this Seal will also need to demonstrate English language proficiency by test only, even if the student is a native English speaker. [Learn more here.](#)

Some districts/schools will also offer the State Commendation toward Biliteracy, which is an acknowledgement of significant language skill although that skill is not yet at the level of biliteracy.
