NPPS Data Source

- I-Star Plus is the data source for students that are parentally placed in nonpublic facilities/homes.
- I-Star Plus is accessed via Illinois Web Application System (IWAS).
- Fund Codes L, P, and N are collected from I-Star for this reporting.

Fund Code L →

- Enrolled by the parent/guardian in a nonpublic school for general education
- NOT enrolled in the public school district
- Receive special ed services from public district
- Students have Individual Service Plan (ISP)

Fund Code P

- Home-schooled for general education
- NOT enrolled in the public school district
- Receive special ed services from public district
- Students have Individual Service Plan (ISP)

Fund Code N

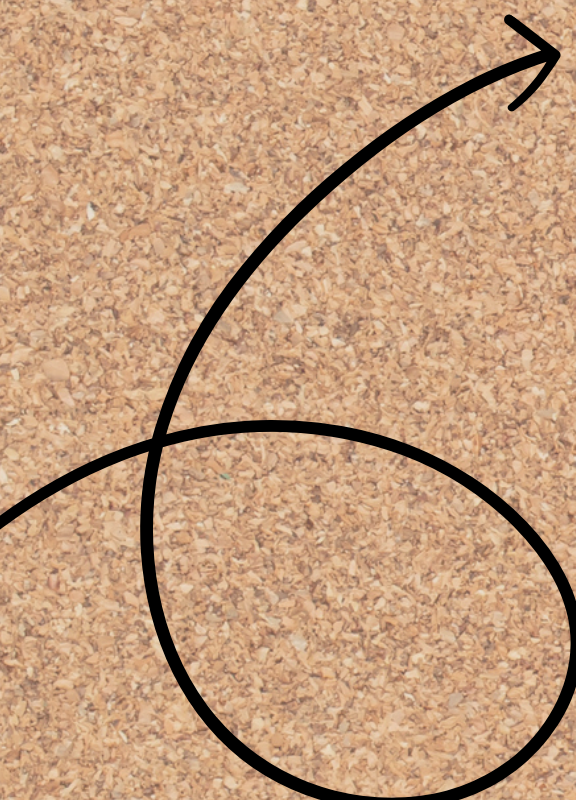

- Enrolled by the parent/guardian in a nonpublic school for general education
- NOT enrolled in the public school district
- ELIGIBLE but NOT receiving any services from public district
- Must be reported in I-Star for 3 years from the last evaluation date
- Removal of the record after 3 years assumes that the district has contacted the parent/guardian and consent was not provided for the re-evaluation, therefore, eligibility has expired

Due Dates

- Data is DUE in I-Star Plus February 25, 2026 for Funds L and P
- Data is DUE in I-Star Plus July 31, 2026 for Fund Code N
- Regardless of the due date, the records active December 1st are used to calculate NPPS
