

College Board and the Illinois State Board of Education (ISBE) are pleased to provide dedicated digital SAT Suite office hours for Illinois testing staff to attend on an as-needed basis. Due to the transition from paper to the new digital format of the SAT Suite, we are providing these additional options for staff to receive information.

These sessions are optional opportunities to meet with College Board and ISBE Department of Assessment staff who can answer questions you may have regarding technology, eligibility, and/or test policy, accommodations, and more.
