Landing Page

The landing page is the first page an educator will view when logging into PD+. It provides the following information:

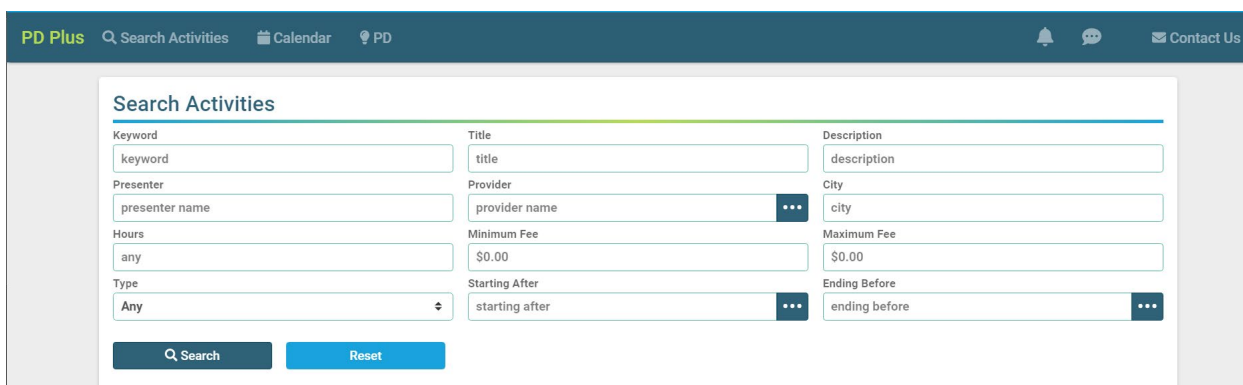

1. License(s)
2. Renewal Year(s)
3. License(s) Status
4. Professional Development Owed
5. Professional Development Completed
6. Professional Development/Employment status
 - a. Educator can update their status from the landing page

Search Activities

The search activities page allows an educator to search for available professional development throughout the State of Illinois. Filters include:

1. Keyword
2. Title
3. Description
4. Presenter
5. Provider name
6. City
7. Hours of Activity
8. Minimum Fee
9. Maximum Fee
10. Type (In-person, Online, In-person/Online)
11. Starting After Date
12. Ending Before Date

Searching & Registering for Available Professional Development Activities

After using the search activities screen, an educator will see the screen below as a result of their search. From this screen, an educator can:

1. View professional development activities that fall within the parameters of their search
2. Click an activity for an overview

3. Refine their search more/less with the filter options on the left-hand side of the screen
4. Register for a professional development activity
5. To complete activity registration:
 - a. Click on the activity
 - b. Click the “register” button
 - c. Educator will receive a customized registration message from the provider and a notification (notifications will be covered in another section of this document)
 - d. If the activity has a fee associated, the educator will need to follow the provider’s link to submit their payment for the activity
 - i. The educator will **not** be considered fully registered until the payment has been submitted

The screenshot displays the 'Search Activities' interface on the Illinois State Board of Education PD Plus platform. The top navigation bar includes the 'PD Plus' logo, search and navigation icons, and user information for 'Educator Ronald Collins'. The main content area is divided into a search filter sidebar on the left and a list of activities on the right. The sidebar contains input fields for 'Keyword', 'Title', 'Description', 'Presenter', and 'Provider', along with 'Search', 'Reset', and 'Close' buttons. The activity list shows two results: '#12270 ACES Interface' and 'Engineering and Life Science ENTICE Workshop'. Each activity listing includes the title, provider name, location, dates, format, duration, and fee. The page also features a pagination control at the bottom right, showing '1' of 2 pages and a '25 per page' setting.

Presenter **Anne McNelis**

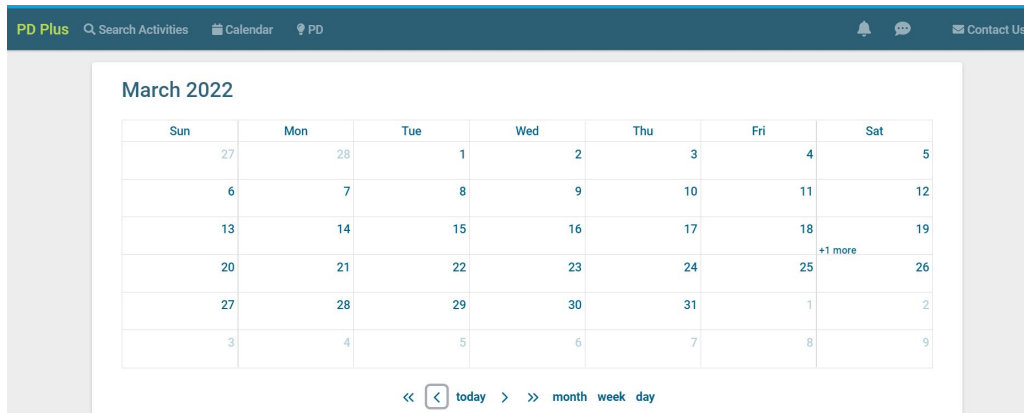

If you work with children, learning about ACEs will change the way you deal with those difficult behaviors some children exhibit. ACEs Interface is a REQUIRED and considered a prerequisite to attending any of our ACES workshops by Anne McNelis and Jen Best, including: Building Resiliency in Students and/or Adults (Nov 16, 2021, Feb. 25, 2022) ACES Comes to School-Interventions (April 6, 2022) The ACE (Adverse Childhood Experiences) study confirms with scientific evidence that adversity during development increases the risk of physical, mental and behavioral problems later in life. The ACE Study and other research using the Study's framework have taught us that ACEs are the leading cause of health and social problems in our nation - the most powerful determinant of the public's health. Toxic stress during childhood can impact brain development and brain interaction with body systems and can result in negative behaviors. You see these behaviors and maladaptive coping skills every day in classrooms, hallways, and on the sidewalk. But childhood is a window of

Activity Calendar

The activity calendar will show all activities an educator has registered for through PD+. Educators have the ability to view their calendar by day, week, or month. From the activity calendar, an educator can:

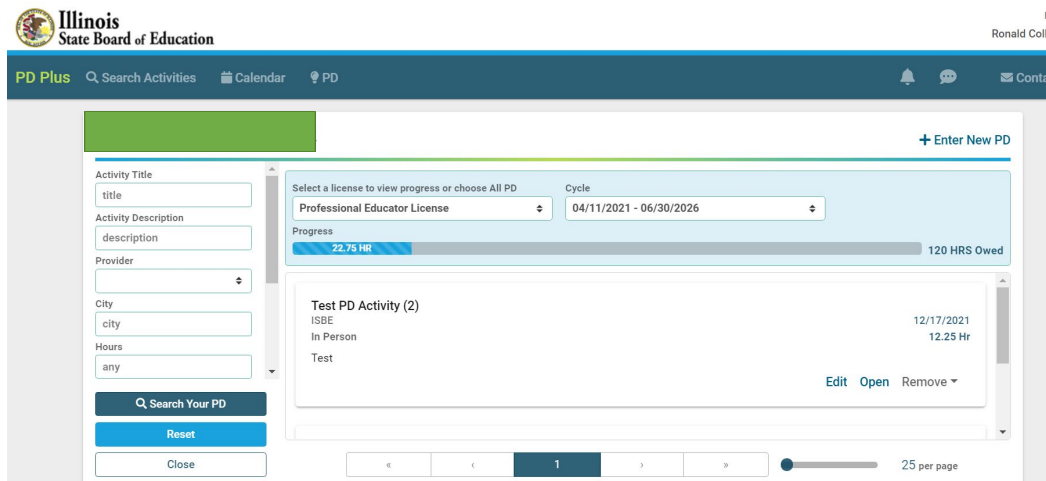

1. Read an Activity Overview
2. Read the Provider Message
3. Unregister from the Activity
 - a. Please note: If an educator unregisters from an activity with a fee, the educator must contact the provider to receive a refund, if applicable.

Educator PD Page

From the PD page, an educator will have the ability to track and enter all their professional development. From the PD page, an educator can:

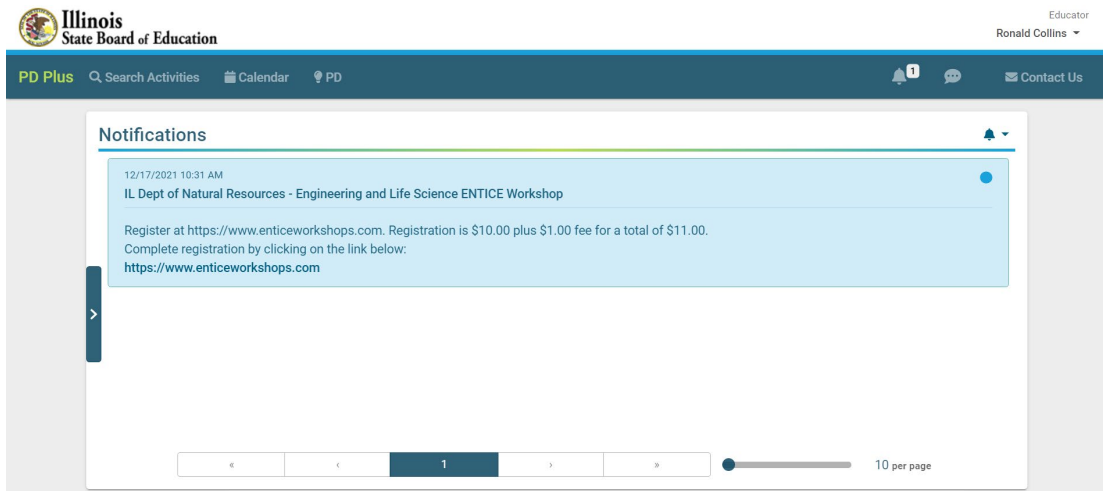

1. Enter professional development activities
2. Search through their own professional development activities
3. Edit/Review existing PD activities
4. Track their professional development progress

Notifications

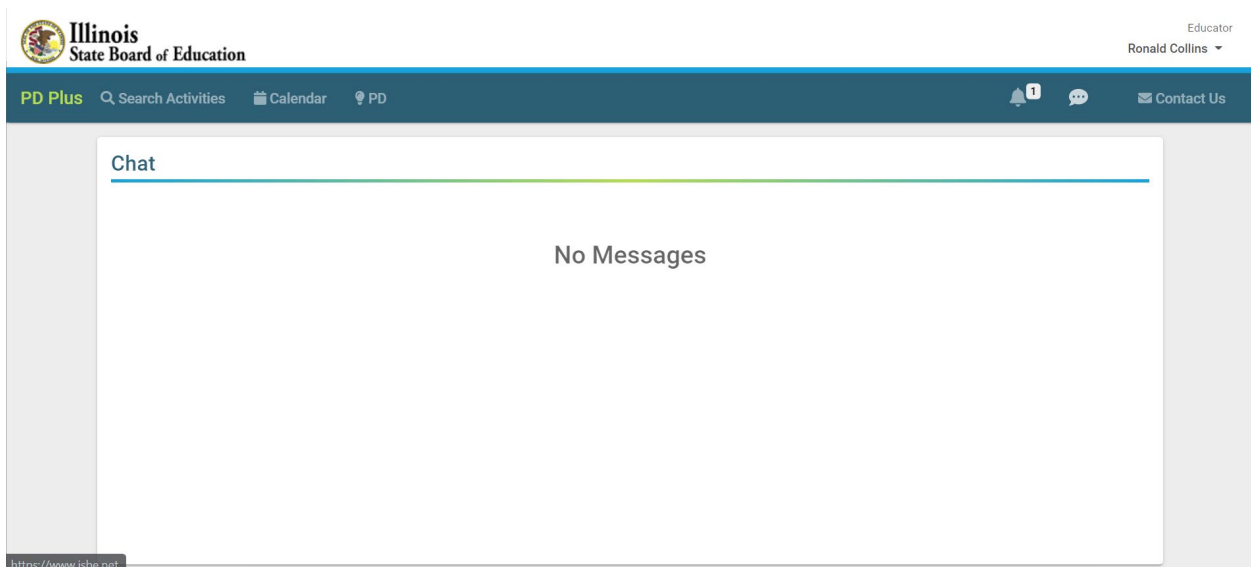

From the notifications page, educators will be able to review any notifications received. Notifications will remain unread until the educator marks them as read. An educator will receive a notification when:

1. Registering for an activity
2. Need to complete the 77-21A form when a provider marks an activity as completed
3. Provider changes information regarding an activity an educator registered for

Message Center

Educators will receive messages in the message center from providers. Educators do not have the ability to initiate conversations with anyone but may respond to a provider if the provider sends a message first.

Contact Us

If an educator has questions, they may click the Contact Us button. When clicking the Contact Us button, the educator will be directed to the licensure contact us page to submit their question to their local regional office of education/intermediate service center.

PD+ Help

If an educator needs assistance navigating their PD+ account, they may click the "help" button at the bottom of their screen on any page. The help page will provide helpful how-to videos.
