

To: Approved Providers and Trainers for educator evaluation qualification

**PEAC Training Committee Guidance, May 26, 2020**

This update to guidance is provided to support your work as approved trainers. Due to the continued uncertainty over the safety of in-person gatherings online training for educator evaluators may continue until August 31, 2020. This includes AAs 1801, 1448, 1451, 1452, 1865, 2001, and 3000/01/02. This is simply an extension of the guidance you have received this spring on March 25, 2020 and April 14, 2020.
