

How to Implement ParentAble

A ParenTeach Initiative

2019 Illinois legislation added a unit of parenting education to the high school graduation requirements. ParentABLE offers:

- Locally adoptable, ready to launch
- Delivered through user-friendly, online LMS
- Evidence-based (20 years of data)
- Unit is aligned to social & emotional learning and wellness standards
- Brief self-guided online training (5 hours)
- Includes class video discussions

10-lesson unit to support:

Health & Wellness Coursework
Career & Technical Education
Credit Recovery
Alternative Placement Schooling Supports
Occupational Training
