ILLINOIS STATE BOARD OF EDUCATION

Post-Resource Allocation Review Survey

The survey items below may be administered via a survey instrument to each district's Resource Allocation Review participants following the scheduled meeting.

On a scale of, strongly agree to strongly disagree:
Preparing for the RAR process

1. I understand the purpose and goals of a Resource Allocation Review (RAR).
2. I had an opportunity to review and interpret the RAR data visualizations in advance.

Effectiveness of the RAR session

3. The RAR protocol and district facilitation helped to keep the conversation structured and on track.
4. The RAR conversation was grounded in relevant data.
5. The protocol and facilitation provided a space for me to fully share my thoughts and opinions on resource allocation within my district.
6. The district had the right people at the table to have an effective conversation.
7. The district generated actionable next steps.
8. Please share any comments you have about how you rated these items.

Outcomes of the RAR process

9. The RAR process helped me to identify strengths and opportunities in my district's approach to allocating funds based on the needs of schools and students. (Equitable)
10. The RAR process helped me to identify strengths and opportunities in how my district shares information about school funding. (Transparent)
11. The RAR process helped me to identify strengths and opportunities in how my district engages stakeholders in budgeting and planning processes. (Engages Stakeholders)
12. The RAR process helped me to identify strengths and opportunities in the alignment between resource distribution and my district or school's priorities. (Aligns with District Goals and Priorities)
13. Please share any comments you have about how you rated these items.
