

## State Fiscal Year (SFY) 2021 CIP Changes Crosswalk

During SFY 2020, ISBE conducted a review of all approved programs of study to ensure their continued relevance and alignment with state and local workforce needs and to approve additional programs to address any gaps in career pathways. The process of review included: consideration of alignment to the Illinois Department of Economic Security and the U.S. Bureau of Labor Statistics long-term employment projections for Illinois; program alignment to a high-skill, high-wage, or in-demand career pathway; and student enrollment and interest. The table below identifies the action for each instructional program as either maintain, new, or retired/discontinued. Instructional programs being retired have been provided with a suitable alternative instructional program whenever possible.

*Green = Maintain, Blue = New, Yellow = Retired/Discontinued*
