## Early Childhood Programs

A newly structured data collection process has been put in place beginning in School Year 2021 to provide more accurate reporting of Pre-K funding information. Due to this new process, the Student Course Assignment and Teacher Course Assignment no longer apply to Pre-K, but rather now apply only to grades K through 12.

The new data collection process now includes collecting funding information as Early Childhood Programs. An Early Childhood Program consists of the funding type now called the *Program*, the *Service Location*, and the *Service Type*. These terms in general, as well as specific types of each, are defined below.

### General Definition for Early Childhood Programs

Funding that is used to administer a preschool program where children ages 3-5 are provided educational services.

### Specific Types of Early Childhood Programs and their Definitions:

1. **Preschool for All** – The child is attending an Early Childhood Block Grant state funded preschool classroom for 3 to 5-year-old children.
2. **Preschool for All Expansion** – The child is attending an Early Childhood Block Grant state funded preschool classroom for 3 to 5-year-old children.
3. **Head Start** – Federal program administered through the U.S. Department of Health and Human Services that provides comprehensive Early Childhood education, health, nutrition, and parent-involvement services to low income children and families.
4. **IDEA** – The child is attending a preschool classroom for 3 to 5-year-old children and has an IEP. At a minimum, some funding for this child is paid with Federal IDEA or state Special Education funds.
5. **Preschool Title I** – The child is attending a preschool program for 3 to 5-year-old children. At a minimum, some funding for this child comes from Title I, Part A of the Elementary and Secondary Education Act as amended by the ‘Every Student Succeeds Act’.
6. **Local District** – The child is attending a preschool program for 3 to 5-year-old children. At a minimum, some funding for this child is paid with local dollars.
7. **Tuition Based** – The child is attending a preschool classroom for 3 to 5-year-old children. At a minimum, some funding for this child is paid through families paying tuition.

### General Definition for Service Location

The agency type where a student receives the primary service.

### Specific Types of Service Locations and their Definitions:

1. **Public School District** – A public-school building.

2. **Higher Education Institution** – A college, university, vocational school, or other post-secondary educational institution offering higher education beyond high school.
3. **Licensed Child Care Center** – Child Care Center is any child care facility which regularly provides child care for less than 24 hours per day and is licensed by the Illinois Department of Children and Family Services.
4. **Licensed Family Child Care Home** – Family Child Care Home is any family home which provides child care for more than 3 up to a maximum of 12 children for less than 24 hours per day and is licensed by the Illinois Department of Children and Family Services.
5. **Child’s Home** – Child’s home is where the child resides.
6. **Community-based Organization** – Community-based organization (CBO) is a public or private nonprofit organization of demonstrated effectiveness that (A) is representative of a community or significant segments of a community; and (B) provides educational or related services to individuals in the community.
7. **Faith-based Organization** – Faith-based organization (FBO) is used to refer to religious organizations and other charitable organizations affiliated or identified with one or more religious groups.
8. **Non-Public School** – A nonpublic school provides general educational services to students in one or more of the grades K-12. Nonpublic schools voluntarily choosing to be registered with the Illinois State Board of Education must be nonprofit, meet various requirements outlined in statute and rule, and their services must include instruction in all of the branches of education taught to children of corresponding age and grade in the public schools, including the language arts, mathematics, the biological, physical and social sciences, the fine arts, and physical development and health.
9. **Outside School Environment** – Any service location not defined above that is outside of the school environment and where a student receives preschool educational programming.
10. **Regional Office of Education/ Intermediate Service Center** – A Regional Office of Education is a local educational agency established pursuant to Section 3A4 of the School Code [105 ILCS 5/3A-4] to provide the services and programs by regions. By law, Intermediate Service Centers serve the functions of Regional Superintendents of Schools and Regional Offices of Education in Suburban Cook County.
11. **Special Education Cooperative** – Joint agreements/cooperatives are established by multiple school districts “to provide needed special education facilities and to employ a director and other professional workers...” (105 ILCS 5/10-22.31) “...for the purpose of providing comprehensive and cost-efficient special education services” (Illinois School Code, 2012, p.297)

## General Definition for Service Type

Service provided by the program.

## Specific Service Types and their Definitions:

1. **Half Day AM** – The child is attending a classroom for 3 to 5-year-old children for less than a full day in the morning.

## Student Information System – Early Childhood Programs – Definitions & Rules

- a. This Service Type is applicable for the following Programs: Preschool for All, Head Start, IDEA, Local District and Tuition Based.
2. **Half Day PM** – The child is attending a classroom for 3 to 5-year-old children for less than a full day in the afternoon.
