Professional Development Opportunity Spanish Language Arts Implementation Coaching

Curriculum & Instruction faculty at the University of Illinois Chicago, in collaboration with ISBE, are leading the statewide initiative to adopt the Illinois Learning Standards for Spanish Language Arts.

We are offering **leadership teams** in Illinois a unique opportunity to get actionable recommendations and support for your school or district to implement the standards. FREE coaching sessions will be provided as an opportunity to build on the foundational principles outlined in the **Illinois Learning**Standards Spanish Language Arts webinar (English/Spanish) and create an implementation plan for your specific site.

Coaching Description

- Start by watching the Illinois Learning Standards
 Spanish Language Arts webinar (English/Spanish)
- Registration by school/district site
- 8 hours
- In-person option and/or meet via digital platform
- Resources customized to your school site
