College Board Webinar: Accommodations and Supports Implementation Process Overview
February 20, 21, & 22, 2024

The College Board is excited to provide an overview of the accommodations and support implementation process for the Spring 2024 digital administration of the SAT with Essay, PSAT 10, and PSAT 8/9.

Services for Students with Disabilities (SSD) coordinators may have previously attended the November Accommodations and Supports Request Process Overview webinar. This second SSD webinar installment will help coordinators better understand the process for implementing accommodations and EL supports that have been approved through the SSD online platform. Coordinators will also learn how accommodations are impacted from the transition from paper-and-pencil testing to digital testing.
