

Illinois SY21-22 and Summer 2022
P-EBT Eligible Schools

This list of P-EBT eligible schools is posted in RCDT order, a common code used by school districts in Illinois. Complete information about P-EBT may be found at www.isbe.net/pebt. If a school is marked Yes in Column I (CEP), this refers to Community Eligibility Provision (CEP). At a CEP school, all enrolled students are eligible for P-EBT benefits, should they have any qualifying school days. If this column is blank, a student at that school must be eligible for free or reduced-price school meals based on socioeconomic conditions to qualify for P-EBT should they have any qualifying school days. If the school that your students attend is NOT listed below, enrolled students are not P-EBT eligible, as the school was required to participate in the National School Lunch Program in SY21-22.
