

May 2017

With the upcoming release of the ISBE sponsored SAT exam scores in late May, College Board will be providing training on the Score Reporting Portal for the SAT Suite of Assessments in June 2017.

The purpose of these workshops is to provide district and school leaders:

- Access to the Online Score Reporting Portal
- An understanding of how to navigate and use the features of the portal
- A step-by-step walk through of the exam results and connections to resources and best practice tools for incorporating the data back into schools
- Overview of Khan Academy and how students are able to view and link their scores will also be provided.

Intended audience: District leadership team and school leadership teams

Times: Each location will have a morning and afternoon session with the same material covered at both workshops. Morning sessions are from 9 – 11: 30 a.m. and afternoon sessions are from 1-3:30 p.m.

What to bring: Please bring with you either a laptop or tablet computer. Free Wi-Fi will be provided at all locations in order to access the online data portal. If you are attending in teams, 1-2 computers per team will do.

Confirmations: A confirmation email will be sent once registration is complete. Specific location, room and parking information will be provided in the email confirmation. If registering as a team, please include the number of people, names and titles.

Registration: [Register HERE for ALL workshops and times](#). All workshops are Free and light refreshments will be available at both sessions.
