

College Board: Understanding and Interpreting SAT with Essay, PSAT 10, and PSAT 8/9 Data and Reports Workshops May 29, 30, & 31 and June 4, 5, & 6, 2024

The College Board is excited to provide in-person workshops that will assist Illinois educators in reviewing and analyzing SAT with Essay, PSAT 10, and PSAT 8/9 score data from the spring 2024 administration.

During the workshop, College Board will work with schools in their online K-12 Assessment Reporting portal to effectively navigate portal features, explain the benefits of report options, and analyze score data. The session will provide tips on how to leverage data to inform instruction. In addition, participants will work through sample questions to better understand the assessment format, score band reporting, and connect to the College Board's Skills Insight document to enhance instruction.

Intended Audience: Teachers, administrators, curriculum directors, and other staff supporting assessments.

Registration: Free, with light refreshments available

Professional Development Credit: 2.5 hours of professional development credit is available to attendees. Participants who intend to receive credit should bring their Illinois Educator Identification Number (IEIN). If needed, login to your [ELIS account](#) to retrieve your IEIN.

We invite you to participate in this workshop on any of the following dates and times:

Illinois Understanding and Interpreting SAT with Essay, PSAT 10, and PSAT 8/9 Data Reports Workshops			
Workshop Location	Date	Time	Registration Link
