

Do you hold an Illinois State Seal of Biliteracy or a Global Seal of Biliteracy?

A Seal of Biliteracy celebrates your accomplishment and certifies your language proficiency in two or more languages.

You may qualify to have the Target Language Proficiency exam waived!

IL State Seal of Biliteracy

IL School Districts will electronically submit verification of the Seal awarded to ISBE to be displayed in the educators ELIS account.

Educators will complete the application and pay the fee for the bilingual or world language endorsement online.

Global Seal of Biliteracy

Educator must complete ISBE form 83-91 to have the awarded Seal verified and entered into their ELIS account.

Educators will complete the application and pay the fee for the bilingual or world language endorsement online.

An applicant who holds the IL State Seal of Biliteracy or who has obtained working or professional fluency on the Global Seal of Biliteracy shall be exempt from the target language proficiency test required for the bilingual or world language endorsement in the same language.

Need additional information on how to obtain these Seals?
