Service Provider - Required for I-STAR

- Service Provider will default to the Serving RCCTS.
 - The Serving RCCTS code uniquely identifies the school/program where a student is educated.
- Service Provider is the entity providing services to the student and may or may not be the serving location.
 - Service Provider data can only be edited by Home district (either online or batch file).
 - For improved security, Service Providers will only be able to view students for which they provide services.
 - Service Providers have the ability to enter Student Course Assignments.
 - Reports and request files will be modified to include Service Provider information.
