Participant Questions and Answers

- Will this PowerPoint presentation be made available, and where?

The PowerPoint presentation is available on the Illinois Purchased Care Review Board (IPCRB) web page (<https://www.isbe.net/Pages/Illinois-Purchased-Care-Review-Board.aspx>) under the "Rate Setting" menu. Both the webinar and the PowerPoint slides are available under "August 9, 2018 - Special Education Private Facility Calendar Webinar".

- For what reasons might an Administrator disapprove a calendar?

There could be multiple reasons an Administrator may choose to disapprove a calendar. Some reasons include, but are not limited to the following:

Incorrect beginning date/ending date for either the regular school year or the summer school

Day(s) coded incorrectly (e.g., a half-day coded as a full day; holiday coded as attendance day; full day coded as Not In Attendance, etc.)

There are some errors that should be caught by the application (e.g., fewer than 176 regular session days; minimum number of hours for summer sessions not met; beginning date overlaps prior year's ending date; etc.).
